We've found a way for you, your family and friends, to give us free money!
This costs you NOTHING and keeps helping UKPIPS while you shop.
It's called *Give as you Live*, and it works like this:

When you shop at one of the 4,200 stores who support *Give as you Live*, the store pays *Give as you Live* a percentage of your total purchase price in commission and of this, 50% is passed on to your preferred charity

Why use *Give as you Live?*
- It's completely free to join and use.
- It's a great way to raise money for UKPIPS **for free.**
- You can shop at over 4,200 leading stores, from Amazon to Zimzilla, with access to all of their great offers.
- You can choose from over 200,000 charities to support, but please consider supporting UKPIPS

Once you have registered with *Give as you Live* at www.giveasyoulive.com/join/ukpips-limited you just need to change your home page to be *Give as you Live*, and then you just select the shop you want to go to, and that's it!

Give as you Live do all the hard work, collecting your donations, sending you a thank-you email so that you know you are helping us and then, passing the invisible donation on to us.

For the non-technical, we have listed the more common internet browsers' method of re-setting the homepage for whatever you use to access the internet.
